# TRACING LINES

TRACE on the dotted lines to reach the traffic light.

# TRACING LINES

TRACE on the dotted lines to help the insects reach the flowers.

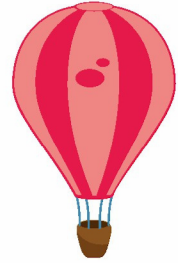

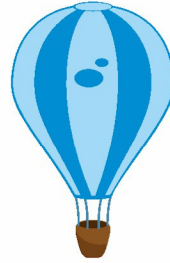

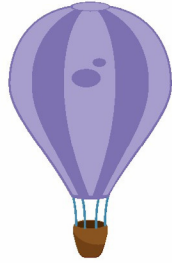

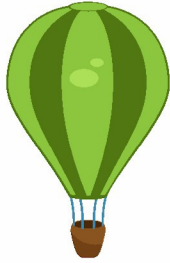

The tracing activity consists of six dotted lines. The top row features three insects on the left and three flowers on the right. The first insect is a black and yellow striped bee with blue wings, connected to a pink flower. The second is a blue butterfly with yellow and red stripes on its body, connected to a pink flower. The third is a pink and red striped bee with blue wings, connected to a pink flower. The bottom row features three flowers on the left and three insects on the right. The first flower is connected to a pink and red striped bee with blue wings. The second flower is connected to a blue butterfly with yellow and red stripes on its body. The third flower is connected to a black and yellow striped bee with blue wings.
