The Story of The First Thanksgiving

In 1620, the Pilgrims left their home in England for religious freedom.

They sailed on a ship with white sails called the Mayflower.

. The trip across the ocean took 66 days!

They made it to the New World and called their home Plymouth.

.The first winter white with snow was long and cold.

In the spring a Native American named Squanto taught them how to survive.

To celebrate the harvest in the fall, they had a feast with pumpkins, cranberries, corn and turkey!
