- First print out the template on a single piece of white cardstock paper.
  - Have kids use crayons to color in the basket shape in the design.
  - Next help your child cut/tear different colors of construction paper into small pieces.
  - Grab the school glue and help them put a good amount inside the hot air balloon design.
  - Have children place their paper pieces on top of the glue {adding more if needed} until it's is completely filled in.
  - The final step is to trim down the printed picture and add it inside the hot air balloon (Small Wallet Sized Printed Picture)
  - Print, cut out and paste the clouds on the sides of the balloon if needed.
  - And just like that, your Torn Paper Oh The Places I Will Go craft is complete!
- Set aside to let it all dry completely before displaying/gifting your child's torn paper hot air balloon design proudly!
