# Spring is Coming

Spring is a special time of year. The snow begins to melt, and the weather gets warmer. The days get longer, and the sun shines more. People put away their winter coats and go outside to play. Trees start to grow new green leaves, and flowers begin to bloom. Everyone feels happy that spring is here.

# Springtime Animals

When spring comes, many animals wake up from their long winter sleep. Bears come out of their caves, and frogs hop out of ponds. Baby animals are born in spring too. You might see baby ducks following their mother or baby bunnies playing in the grass. Spring is a busy time for animals!

# Rain in Spring

It rains a lot in the spring. The rain helps the grass and flowers grow. Children wear rain boots and splash in puddles. Sometimes they carry colorful umbrellas to stay dry. After the rain, everything smells fresh and clean. The rain is very important for spring.

# Flowers All Around

In spring, flowers start to bloom everywhere. You can see tulips, daffodils, and daisies. They come in many colors like pink, yellow, purple, and red. Bees fly from flower to flower to collect pollen. People like to pick flowers or plant new ones in their gardens. Spring is full of color!

# A Walk in the Park

Spring is a great time to go for a walk in the park. The grass is green, and the trees are full of leaves. Birds sing songs in the trees, and butterflies flutter by. You might see people flying kites or riding bikes. The park is a wonderful place to enjoy the beauty of spring.

# Butterflies and Bees

Butterflies and bees are very busy in spring. Butterflies fly from flower to flower, showing off their colorful wings.

Bees buzz as they collect nectar to make honey. These insects help flowers grow by spreading pollen. Spring is their favorite time of year!

# Spring Cleaning

In spring, many families clean their homes. They open the windows to let in fresh air and tidy up each room. People might clean their gardens or plant flowers outside. Spring cleaning helps everyone feel fresh and ready for a new season.

# Trees and Leaves

The trees look different in spring. After being bare all winter, they grow new green leaves. Some trees grow flowers before they grow leaves. The leaves blow gently in the wind. Birds build nests in the trees and take care of their babies.

# Planting Seeds

Spring is a good time to plant seeds. People plant vegetables like carrots, beans, and lettuce. They also plant flowers to make their gardens look pretty. With water, sunshine, and care, the seeds grow into strong, healthy plants. Watching seeds grow is exciting!

# Spring Fun

There are many fun things to do in spring. Children ride bikes, fly kites, and play in the sunshine. Families go on picnics or have barbecues. People visit the zoo or take nature walks. After a long winter, everyone is happy to be outside again.

# Colors of Spring

Spring is a colorful season. The grass is bright green, the sky is blue, and flowers bloom in every color. Even the clothes people wear are lighter and brighter. The world feels fresh and full of life.

# Sounds of Spring

If you listen carefully in spring, you can hear many sounds. Birds chirp, frogs croak, and bees buzz. The wind rustles the leaves, and raindrops patter on the ground. Spring is full of music from nature.

# Easter Time

Many people celebrate Easter in the spring. They decorate eggs and go on egg hunts. Some children get Easter baskets with treats and toys. It's a fun holiday that comes with the blooming of flowers and the return of warm days.

# Goodbye, Winter!

Spring means winter is over. The snow is gone, and the cold days are behind us. People are ready to enjoy sunshine, flowers, and warm breezes. It's time to say goodbye to winter and hello to spring!
